NATURE OF GRIEVANCE OR INFORMATION:

On Above date At 2pm I talked with & showed Sgt Reynolds my knee which has A huge Swelling & draining boil which I know is Staph Infection. I explained to Sgt Reynolds that for about A week Inmate Anthony Richards has been in my cell. Inmate Richards came from Medical with Staph into Population. Medical was AWARE of Inmate's condition AS for A fact Inmate was in Grievance processing At this date, Richards was in Population with huge draining boils which is Staph. Sgt Reynolds was nice enough to take me to Medical but soon AS I left Medical REFUSED me Medical treatment/attention told me to shut up & sent me back to dorm. I HAVE BEEN DENIED Medical treatment - Medical at fault.

WHAT DO YOU WANT TO HAPPEN TO SOLVE IT?

I AM SEEKING/ASKING for Medical treatment & medication, NOT AT my expense. Inmate Richards should not have been in Population - BECAUSE of GROSS NEGLIGENCE on behalf of Medical AND this jail I HAVE BEEN EXPOSED to Staph & AM in extreme PAIN suffering & AT NO fault of my own, I AM DEMANDING Medical treatment & medication. If I AM charged for this I WILL file 1983 CIVIL SUIT AGAINST jail & Medical Also file complaint with Amer. Medical Association & complaint to Health Dept. & County Comm.
